ASSEMBLE 
ASSOCIATION OF EUROPEAN MARINE BIOLOGICAL LABORATORIES EXPANDED

Apply for Access to

Top-Class Research Infrastructures

with **ASSEMBLE Plus**

SECOND CALL
OPENING:
29 AUGUST 2018

ASSEMBLE Plus offers transnational access to over 30 marine research installations in 16 countries across Europe and overseas.

Successful applicants will be able to carry out scientific research in the field of marine science of interest to their research group (private or public, with a special focus on young scientists and small to medium-sized enterprises).

ASSEMBLE Plus sponsors teams of up to two researchers to:

- ✦ Access the available research infrastructures (outlined below)
- ✦ Travel (one round trip per person in economy class)
- ✦ Subsistence (meals and accommodation for up to 30 days including weekends)
- ✦ Shipping of material (from the Access Provider to the researchers' home institution, up to 400 euros).

Please check for updates on available services, call dates, application procedures and any further information on current and upcoming calls for access on: www.assembleplus.eu

AVAILABLE RESEARCH INFRASTRUCTURES COVER:

ACCESS TO ECOSYSTEMS

research vessels,
SCUBA diving facilities,
submersibles

BIOLOGICAL RESOURCES

marine model organisms,
culture collections, biobanks

TECHNOLOGY PLATFORMS

molecular biology and -omics
imaging, bioassays, structural &
chemical analysis

EXPERIMENTAL FACILITIES

tanks, mesocosms,
bioreactors, wet & dry labs

E-INFRASTRUCTURE

data sets, data analysis,
computing, storage
